CENTRE'S UNLOCK 3 GUIDELINES

States told not to restrict inter-state commute

PRESS TRUST OF INDIA
New Delhi, August 22

THE CENTRE HAS asked all states to ensure that there should be no restrictions on inter-state and intra-state movement of persons and goods during the ongoing unlocking process.

In a communication to chief secretaries of all states and Union Territories, Union home secretary Ajay Bhalla said there were reports that local level restrictions on move-

ment were being imposed by various districts and states.

Drawing attention to the Unlock 3 guidelines, Bhalla said such restrictions were creating problems in inter-state movement of goods and services and were impacting supply chains, resulting in disruption in economic activity and employment.

The unlock guidelines clearly state that there shall be no restrictions on inter-state and intra-state movement of persons and goods, he said in

The home secretary said restrictions amount to violation of guidelines issued by the home ministry under the provisions of Disaster Management Act, 2005

the letter.

The guidelines also stated that no separate permission, approval or e-permit will be required for movement of per-

sons and goods for cross land border trade under treaties with neighbouring countries.

The home secretary said restrictions amount to violation of guidelines issued by the Ministry of Home Affairs under the provisions of Disaster Management Act, 2005.

The letter requested that no restrictions be imposed and it should be ensured that the unlock guidelines are followed.

Prime Minister Narendra Modi has first announced

lockdown with effect from March 25 to combat the coronavirus pandemic, which was subsequently extended till May 31.

Since June 1, the unlock process began with the opening up industrial activities and offices across the country.

Nod to ₹8,594-cr proposals of stressed NBFCs, HFCs: Finmin

PRESS TRUST OF INDIA
New Delhi, August 22

THE FINANCE MINISTRY on Saturday said 24 proposals worth ₹8,594 crore of stressed NBFCs and HFCs have been sanctioned under the special liquidity scheme announced as part of the ₹20.97-lakh crore 'Aatmanirbhar Bharat' package.

The scheme, launched on July 1, permits both primary and secondary market purchases of debt and seeks to address the short-term liquidity issues of non-banking financial companies (NBFCs) and housing finance companies (HFCs).

Sharing implementation status update of the ₹30,000-crore Special Liquidity Scheme (SLS), finance minister Nirmala Sitharaman in a tweet said 24 proposals with a total sanctioned amount of ₹8,594 crore had been cleared as on August 21, while 17 more applications seeking financing of up to ₹3,684.5 crore were under process. "The amount disbursed stood at ₹3,279 crore as on 21.08.2020. Compared to 07.08.2020, there is an increase of ₹2,195 crore in the amount

SPECIAL LIQUIDITY SCHEME

■ Finance minister Nirmala Sitharaman in a tweet said 17 more applications seeking financing of up to ₹3,684.5 crore were under process

■ SLS, launched on July 1, permits both primary and secondary market purchases of debt and seeks to address the short-term liquidity issues of NBFCs and HFCs

sanctioned & an increase of ₹2,279 crore in the amount disbursed," she tweeted. NBFCs and HFCs came under stress following a series of defaults by IL&FS group firms in September 2018. NBFCs, including microfinance institutions registered under the RBI Act, 1934, (excluding those registered as Core Investment Companies) and any HFC registered with the National Housing Bank under the National Housing Bank Act, 1987, which is complying with certain specified conditions, are eligible to raise funding from this facility.

The Reserve Bank of India (RBI) has provided funds for the scheme by subscribing to government-guaranteed special securities issued by a trust set up

by SBI Capital Markets Ltd (SBI-CAP). The scheme is being implemented by SLS Trust, the SPV set up by SBICAP.

The special liquidity scheme is open for three months for making subscriptions by the trust. Under the scheme, the government will provide an unconditional and irrevocable guarantee to the special securities issued by the trust.

The instruments will be commercial papers and non-convertible debentures with a residual maturity of not more than three months and rated as investment grade. Therefore, those market participants who are looking to exit their standard investments with a residual maturity of 90 days may also approach the SLS Trust.

Amplus Solar 1st to sell power on IEX green mkt

PRESS TRUST OF INDIA
New Delhi, August 22

AMPLUS SOLAR ON Saturday claimed that it is the first solar power producer to sell renewable electricity in the green term ahead market (GTAM) on the Indian Electricity Exchange (IEX). The trading in the GTAM was launched recently at IEX.

The GTAM on IEX provides avenues to renewable energy (RE) generators for sale of green energy through which buyers can meet their renewable purchase obligations (RPOs).

"Days after the launch of India's first ever Green Term-Ahead Market (GTAM) introduced by IEX, Amplus Solar sold solar electricity in the open market on August 20,

2020, becoming the first solar generator to trade on GTAM under the new Central Electricity Regulatory Commission (CERC) norm," a company statement said.

According to statement the IEX launched the GTAM on its power trading platform after receiving approval from the CERC on August 17, 2020.

This is a great source for en-

tities that have RPOs "such as DISCOMs as well as large electricity customers in the commercial and industrial (C&I) category," the statement said.

It helps consumers who are falling short of their renewable targets.

CAG report on defence offset performance in next Parliament session, says FM

PRESS TRUST OF INDIA
New Delhi, August 22

FINANCE MINISTER NIRMALA Sitharaman on Saturday said the CAG report on defence offset performance will be tabled in the forthcoming session of Parliament.

The report of the Comptroller and Auditor General of India (CAG) on offset performance was scheduled to be tabled in the last session of Parliament but could not be done as the session had to be curtailed following the outbreak of coronavirus pandemic.

"The C&AG Report No 20 of 2019...Defence Offset Performance was scheduled to be tabled in Parliament during the budget session (2020). The session ended, before date, due to COVID. Now the report will be placed in the next session. The contents will be known only after that," Sitharaman said in a series of tweets.

Observing that the first Rafale fighter jet was handed over to India in October 2019, the minister said, "There is a year-wise phasing of how much offset obligation the companies/OEMs have to fulfill. MoD informs me that claims of such obligations being fulfilled are coming in."

Last month, India received the first set of five Rafale fighters from France.

In the 36 aircraft deal, signed for around ₹58,000 crore, Dassault Aviation has agreed to provide all fighters in a fly away condition between 36 to 67 months from the date of signing of the inter-governmental agreement in 2016.
